ILLEGAL RECRUITMENT OF OFFICERS

It has been observed with dismay that some MDAs are illegally recruiting Officers without recourse to due process and necessary approval of the State Government. To say the least, this unwholesome practice has greatly embarrassed the State Government considering the astronomical increase in the wage bill.

2. Henceforth, all Accounting Officers are to note that no back door recruitment should be carried out under any guise while those that have been illegally recruited shall be disengaged accordingly.
3. Please note the foregoing for compliance as the Government shall not hesitate to take appropriate disciplinary action against any deviant.
