**INAUGURATION OF THE NATIONAL ASSOCIATION FOR  
PUBLIC ADMINISTRATION AND MANAGEMENT (NAPAM)**

The National Association for Public Administration and Management (NAPAM) was established some years ago to foster the practice of Public Administration and Management in Nigeria as well as put Public Administration on a solid foundation in order to relate more effectively with both the African Association for Public Administration and Management (AAPAM) and the Commonwealth Association for Public Administration and Management (CAPAM).

2. However, for reasons of changes, both political and administrative, the Association had not been able to reach out to prospective members who should be senior officers in the Public Services of Nigeria. It is gratifying to note that in recent times, the Association was rejuvenated and re-launched in Abuja, during which occasion strong commitments were made to make the services of the Association available to all interested Senior Public Servants.

3. I am directed by this Circular letter to invite all interested senior officers in the State Public Service on Grade Levels 10 and above, to show interest in joining the NAPAM. All Directors of Finance and Administration should coordinate the exercise and make returns to the Office of the Secretary, Establishments not later than Friday March 05, 2010. A timeous return will enable us to call an inaugural meeting of the Association.

4. Heads of Department are requested to give adequate publicity to the contents of this Circular letter in their respective MDAs.

  
G.M. Ajayi  
Secretary, (Establishments)
