**INTRODUCING ADDITIONAL INTERNAL GENERATED REVENUE (IGR) PAYMENT OPTION IN ONDO STATE.**

To sustain and enhance revenue collection by the Ondo State Internal Revenue Service we wish to introduce an additional payment option.

Currently, tax payers are issued a payment advice and all revenue are paid to the banks, via the Interswitch (Pay Direct/Quick Teller) platform, from there, the transactions are pushed to our IGR platform (CSDC's AMANDA Software) and receipts are issued. The process takes less than an hour.

We have however been getting feedback from tax payers that Commercial Banks in the State are having inter-connectivity challenges with Interswitch (Pay Direct/Quick Teller) platform causing delay of payments, and tax payers frustration.

In view of the situation above, we are happy to introduce to you an alternative payment channel as follows:

**INTERNET BANKING/ BANK TRANSFER CHANNEL**

- Collect payment advice at the location of various MDAs or ODIRS Stations in every Local Government.
- Transfer from your phone or Commercial Bank, or pay directly to any of ODIRS account below:

**WEMA BANK- ODIRS SPECIAL IGR ACCOUNT NUMBER: 0122778661**

**PROVIDUS BANK- ODIRS SPECIAL IGR ACCOUNT NUMBER: 1400372139**
