PROVISION OF VEHICLES FOR ENFORCEMENT ACTIVITIES OF REVENUE GENERATING MDAs

The above subject matter refers.

ODIRS wishes to recognize and appreciate the effort and cooperation we have received from revenue generating MDAs in the State despite the numerous challenges faced during the past year.

We are aware that a major challenge facing revenue generating MDAs is inadequate enforcement and a major component of this is lack of enforcement infrastructure.

In a bid to assist all revenue generating MDAs, ODIRS has made available two (2) Hilux Vehicles and a fourteen (14) seater Hiace Bus as well as drivers to help carry out enforcement when needed. The Hilux Vehicles will be available on a first come first serve basis and will be used by the requesting MDA for a maximum of up to Five (5) working days at a time.

Please note that:

1. The cost of fueling the Vehicles for the enforcement will be borne by the MDAs.
2. The cost of repair and servicing of any fault developed by the Hilux Vehicles during the enforcement shall be borne by ODIRS.
3. ODIRS will provide one armed policeman attached to each Vehicle for security. MDAs are free to increase the security personnel at their cost.
4. Every enforcement exercise is expected to produce tangible result in cash at the end or in the immediate period after the exercise.
5. MDAs may request for one, or two or all the vehicles at a time.
6. The Vehicles will not be available for private use, or during weekends.
7. We will start accepting requests from 1st March, 2021.

Please accept the assurances of our esteemed regards.
