RE: SUSPENSION OF APPOINTMENT OF MINOR CHIEFS
BY TRADITIONAL RULERS IN ONDO STATE

Further to the State Government's directive suspending the appointment of Minor Chiefs by Traditional Rulers in Ondo State as contained in the letter No. CD/C.43/5 VOL.XXII/349 of 27th April, 2017, it has become important that the position of the Government on the issue be reiterated. This is in view of the continuing agitations for the review of the policy and the unabated communal crises arising from such appointments and installations.

2. I wish to state that the resolve of the State Government against the appointment and installation of Minor Chiefs by Traditional Rulers in the State still remains unchanged while the Government Circular under reference is still in force until the policy is reviewed. A copy of the circular letter is herewith attached.
3. All Traditional Rulers are to kindly note this.
4. Thank you.
