MORTGAGORS TO SETTLE ALL OUTSTANDING LOAN(S) BEFORE
RETIREMENT FROM SERVICE.

It is pertinent to note that there are many defaulters of mortgage loan repayment and this is giving the Board serious concern more importantly depriving other qualified civil servants from benefitting from the housing loans to build their various houses.

2. It should be noted that civil servants that took loans from the Board and refused to pay back before retirement from service are not in any way helping the Board in performing its statutory function to the public servants. If this act of indiscipline is not addressed, the Board may be heading towards extinction and this must not be allowed to happen. Civil servants that took loans from the Board and not prepared to pay before his/her retirement will henceforth be sanctioned.

3. I wish to reiterate that the Board remain resolute and will henceforth not entertain any clearance forms brought by the retirees that have failed to pay the outstanding loans as at the date of his/her retirement from the service.

4. All MDAs are enjoined to note and comply with the content of this circular accordingly.
